Worlds First Number One
Japanese White Board

Our puzzles are randomly cut for interesting
and unique puzzle piece shapes for fun
solving every time.

Each Brain Tree puzzle is printed with
Droplet Technology for rich, detailed
color reproduction and an anti-glare
premium matte effect, for more accuracy in
puzzle solving that's also easier on the eyes.

Advantages Of Our Droplet Technology Puzzle Printing:

- Anti-glare, matte effect: pieces won't shine in light
- Rich color reproduction for matching pieces to the art and for beauty when completed
- Details in each artwork are visible
- Each piece has a great, quality feel
- Long lasting quality for repeated solving
